Generally for the post-high 20s and 30s but anyone is welcome who is young at heart. The Jesus Study is not simply a Bible Study, rather it is for those serious about integrating Jesus and kingdom living into their lives. We meet, eat and have discussions around a study focus; right now it is "The Story." Beyond meetings we engage in service projects, disciplines and other activities (prayer walks); all with the focus of knowing and being known by Jesus and then passing it on.
